

ENDORSEMENTS

In our current state of local concerns, Wendy Rogers is one to address them - not back away from them! I am supporting my friend, Wendy Rogers, for State Senate District 17 because I believe that Wendy will represent me well (and all others in our district). Wendy is a people person, and has been for the past seven years we have known each other. I have worked with Wendy in many areas, education as well as personal, and have always found her to be dependable and transparent! Thank you Wendy, for desiring to run for State Senate and I know you will represent District 17 proudly and productively!

Sincerely,

Dawna M. Fagerburg
