

ENDORSEMENTS

I would like to add my enthusiastic endorsement for the candidacy of Wendy Rogers for the Arizona State Senate. As a business owner, as a military veteran who has served our country with distinction, as a model parent, and most notably as a straight-talking, clear-thinking, and hard-working Arizonan, Wendy has earned not only my respect and admiration, but also those of the thousands that she has influenced during the many years that we have been privileged to be her friends. I most heartily commend her for this office, and I eagerly look forward to seeing her serve our citizenry with the same selfless devotion and prudent wisdom that she has demonstrated in the past. Please join me and my family in voting for her in this upcoming election.

Sincerely,

Geoff Shell

Thanks for having the guts to do this, Wendy! You're going to be a GREAT senator!
Onward, soldier! (and, Illegitimi non carborundum! 😊)
