

## ENDORSEMENTS

I heartily endorse Wendy Rogers as our State Senator for Tempe and south Scottsdale. I have known Wendy in her roles as Development Director for Tempe Preparatory Academy and as a successful Tempe business owner. She is smart, incisive, and absolutely responsive to the needs of others - - getting things done in an amazingly organized and succinct manner. Wendy Rogers is a LEADER. Her military background shines through in how she encourages others to work toward a cause and utilize all of their resources effectively. She will bring refreshing representation to our district as a sound fiscal steward during tough economic times. Already Wendy has bicycled to more than 6,000 homes to meet voters face to face, demonstrating her strong commitment to reach out to ALL the residents of the district. There is no stronger or more capable candidate than she. Elect Wendy Rogers on November 2nd. We need her at the State Capitol representing our district.

Hugh Hallman  
Mayor City of Tempe
