

ENDORSEMENT

"Wendy Rogers is the fiscal conservative the people of District 17 need in the Arizona State Senate fighting for lower taxes, responsible government and strong principles. Her work ethic led to a successful career in the Air Force as one of the first 100 female pilots. A mother of two ASU Honors college students, she understands the importance of education. She has grown a small business that demands maintaining a budget, making a payroll and providing stellar customer service. Wendy Rogers is the smart choice."
