

ENDORSEMENTS

Dear Friends,

We need leaders like Wendy Rogers to help put Arizona back on the right track. Wendy and her husband, Hal, are long time Tempe business owners who have invested in our community. Wendy knows the importance of living within a budget...and knows how to keep one balanced. Her military experience combined with her support of education and small business makes her the perfect candidate to represent our needs at the State Capitol. Please join me and my family in supporting Wendy Rogers for State Senate.

Warmest Regards,
Laura Knaperek
