WENDY ROGERS, STATE SENATE (LD 17) CANDIDATE  
IS FIRST TO FILE CAMPAIGN FINANCE REPORT

(TEMPE, AZ) January 26, 2010 – Wendy Rogers, Lt. Col. USAF (retired), candidate for Arizona State Senate, LD. 17 issued the following statement as she filed her first campaign finance report, “The reception I’m getting is exciting and exhilarating.”

Rogers reported that her campaign has raised more than \$34,000 from 175 donors. She is certain the positive response is a result of her campaign slogan: (Work hard. Follow through). She has knocked on hundreds of doors, met thousands of people and followed up with them.

The deadline for filing the first campaign report for the year is Jan. 31, 2010, but Rogers was pleased to show the outstanding results so early in the political campaign season.

“I campaign the way I will legislate. I work hard and I follow through. That is the way I was trained and that is how I’ve been successful in my military and business careers,” said the Tempe Republican in her first campaign for public office.
